

TRAMROLL™ **ENCLOSED BELT CONVEYOR**

TRAMCO 

**THE HIGHEST
PERFORMANCE
AT THE BEST VALUE!**

Designed & Engineered for Versatility.

TRAMROLL™

BUILT TO HANDLE THE TOUGHEST JOBS.

The TRAMROLL™ Enclosed Belt Conveyor offers a large selection of standard and innovative features that sets it apart from other conveyors. Standard features include; dust and weather tight enclosed housing to protect the material being moved, improve environmental safety and reduce housekeeping. The TRAMROLL™ also features hipped roof covers, plus a proven design allowing extra clearances between belt, idlers, pulleys and housing for easy access and maintenance. With innovative features such as; self-reloading and self-cleaning tail section. multiple inlets and discharges, and horizontal and inclined configurations the TRAMROLL™ is one of the most versatile conveyors in the industry.

The TRAMROLL™ utilizes components that are jig welded for interchangeability and are checked throughout by the TRAMCO 100% inspection policy. Our “total quality process” is further proof that you can count on years of trouble-free operation from the TRAMROLL™ Enclosed Belt Conveyor.

1 Hinged inspection door

2 Belt alignment switch for automatic shut off

3 Hipped roof covers

4 3 mil Powder Coat finish

5 Standard totally bolted construction with grade 5 cadmium plated bolts

6 All bearings are external for easy access and maintenance

7 Adjustable belt loader box to ensure center loading

8 Inspection door with twist and lock handle. Located per customer's requirements or every 100'.

9 Rubber sealed telescoping tail take-up adjustment system

1 Hinged inspection door

2 Belt alignment switch for automatic shut off

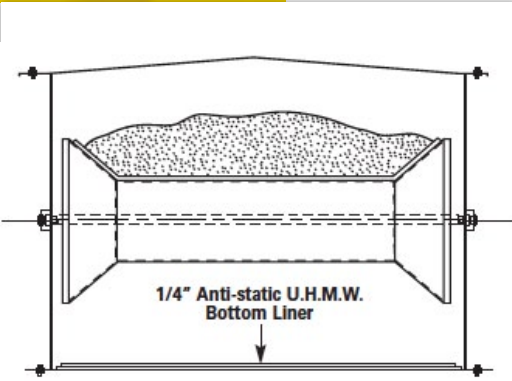

3 Hipped roof covers

4 3 mil Powder Coat finish

5 Standard totally bolted construction with grade 5 cadmium plated bolts

1/4" Anti-static U.H.M.W. Bottom Liner

TROUGH CROSS SECTIONS

***NOTE**
Covers have been removed for illustrative purposes only. Do not operate conveyor unless all covers, guards, etc. are in place.

STANDARD HEAVY-DUTY DESIGN WITH INNOVATIVE FEATURES, EQUALS LONG LASTING PERFORMANCE.

1 Head discharge lined with Urethane

2 Standard Tail with hinged cover opened

Belt reloader with deflectors tail section

Self-reloading and self-cleaning tail section

3 Standard Head without removeable cover

1 Heavy-duty long life pillow block roller bearings

Standard packing gland shaft seal

2 Hinged inspection door

STANDARD TAIL

**TRAMCO... THE WORLD'S MOST
COMPLETE LINE OF CHAIN
& ENCLOSED BELT CONVEYORS.**

TRAMCO conveyors and elevators, The Quiet Ones (*italicize this*) have become the standard of the industry. They are designed, engineered and built for hard work and long life. All models feature non-metallic flights for lower noise levels, minimal maintenance and downtime.

1
TRAMCO BUCKET ELEVATOR
The Work Horse

Centrifugal Discharge design is used for the bulk handling of free-flowing fine and loose materials with small to medium size lumps. Built-to-last for the toughest requirements.

2
TRAMCO JETBELT™
Air Supported Belt Conveyor

An efficient system requiring less horsepower than other systems. Used for dry bulk handling requirements in a variety of products.

3
TRAMROLL™

Enclosed belt conveyor with innovative features such as; self-reloading and self-cleaning tail section and multiple inlets. The heaviest duty design in the industry.

4
TRAMCO MODEL RB

Designed for self-cleaning and quiet operation with a u-shaped trough for handling soft stock or materials that are easily crumbled or broken.

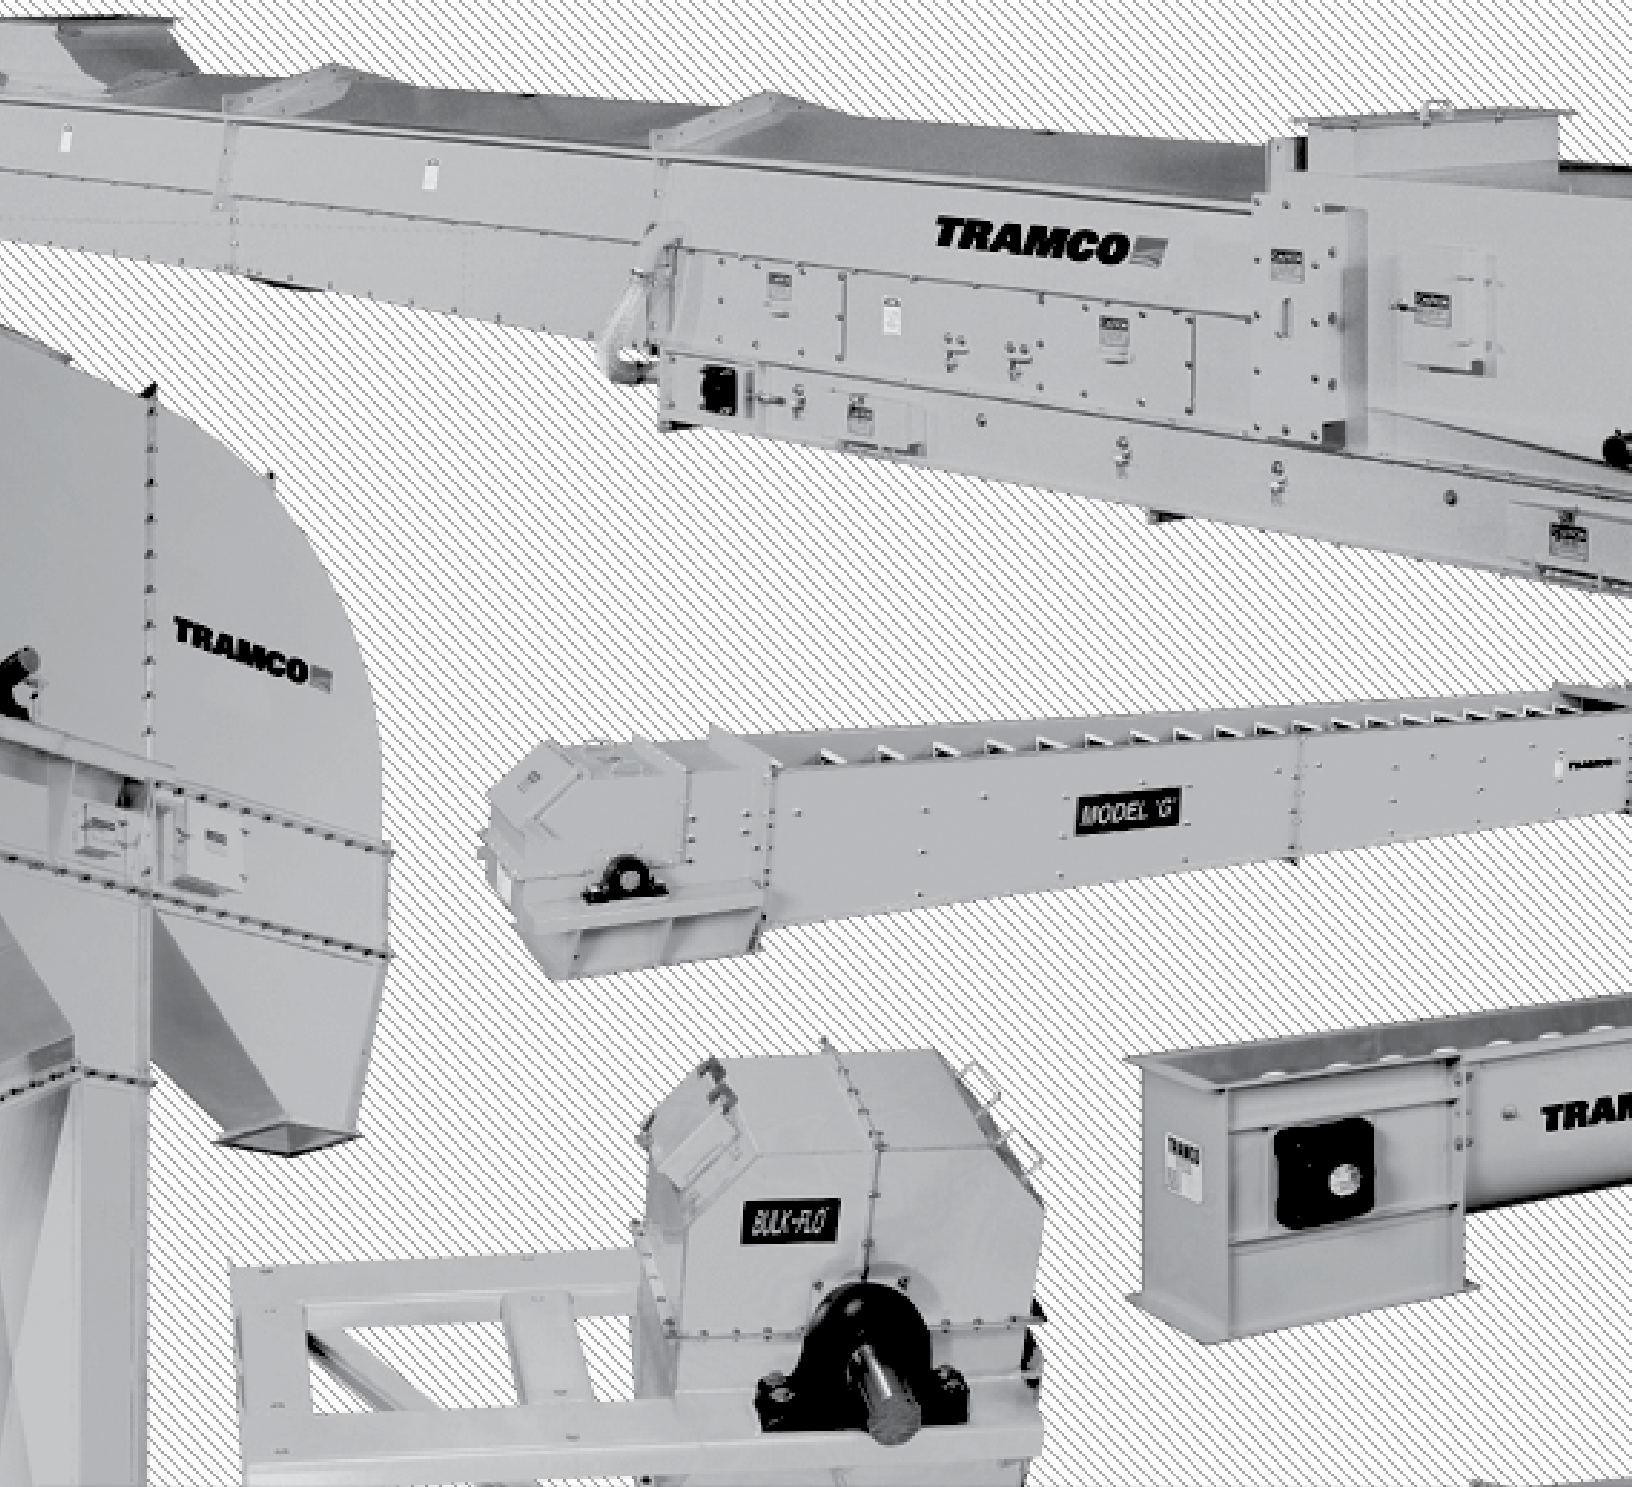

6
TRAMCO MODEL G

Built standard with 10-gauge construction to accommodate large capacities of free-flowing materials. Provides years of trouble-free service under extreme applications.

7
TRAMCO BULK-FLO™

The heavy-duty chain conveyor designed specifically for processing applications such as; wet and sticky, varying sizes and densities and abrasive or corrosive materials.

A unique combination of design, engineering, proper component selection, manufacturing and service after the sale makes TRAMCO Conveyors the first choice for consulting and supply in bulk material handling situations. TRAMCO delivers product for various industries such as chemical, coal, food and grain, mining, plastic, pulp, rubber and paper, or solid waste and recycling. Buying TRAMCO ensures expertise, knowledge, manufacturing know-how and the comfort that comes with every TRAMCO conveyor.
